

RETAIL PORTFOLIO

At Barnes & Noble College, we elevate the bookstore experience, pouring our passion and innovation into creating premier destinations on campus. Our stores go beyond retail to support the unique needs of the institutions we proudly serve and heighten school pride.

The colleges and universities showcased on the following pages represent a cross-section of our partners in higher education. They all share a common vision: To create a vibrant destination that inspires and excites students, faculty, alumni and fans.

Our campus stores are where style, spirit, discovery, learning and social experiences converge. We offer an unparalleled retail experience with localized, carefully curated emblematic merchandise, a seamless omni-channel presence and a suite of products and services to support student success.

As your partner, Barnes & Noble College will work closely with you to customize an interior design package that is worthy of your school brand.

Your store should reflect your unique campus culture. In collaboration with our institutional partners, we design stores to represent and enhance the school brand with custom memorabilia graphics that immerse visitors in the school's rich history. Our merchandise assortment is carefully curated based on customer data and trends to carry styles your students, parents, faculty, alumni and community crave.
